SACHAU
VINEYARD

LAUTRE CÔTE

CABERNET FRANC

VINEYARD CHARACTER

Sachau Vineyard is located about a mile south of the winery; the Cabernet Franc block flows downhill from an elevation of about 600 feet. Comprising alluvial and well-draining loamy soils, the 6-acre, west-facing block of CAF is planted to UCD clone 5.

TASTING NOTES

This elegant wine is characterized by aromas and flavors of black fruit, dried flowers and herbs. Rich on entry with a tannic mid-palate, the wine rides a wave of acidity to a long and youthful finish. More reminiscent of Bordeaux than the Loire Valley, this wine will age beautifully for 7-15 years.

WINE STATISTICS

TA: 0.57 g/L
pH: 3.61
Alcohol: 15.1%
Cases Produced: 40
\$98.00
