SPARKLING BARBERA  
2018

## VINEYARD CHARACTER

Following the iconic 2017 vintage, the 2018 vintage continues to showcase the world-class quality of the Livermore Valley. The Home Ranch Vineyard, located about 5 miles east of Lencioni Estate Vineyard, was the fruit source for this rare wine.

## TASTING NOTES

The naturally high-acid grape, Barbera, was the perfect variety to use for our rare and delicious méthode champenoise sparkling wine. Ripe fruit, creamy mid-palate, and wonderful acidity make this refreshing wine the perfect accompaniment to all kinds of celebrations.
