

THE STEVEN KENT WINERY

2018 CABERNET SAUVIGNON Smith Ranch Vineyard | Livermore Valley

HARVEST NOTES

2018 encompassed the beneficently temperate growing conditions in the Livermore Valley that led to the production of world-class fruit.

VINEYARD NOTES

The Smith Ranch is one of our favored sites, located about five miles west of the Winery. We have been using clone 8 Cabernet Sauvignon from this vineyard since the 2002 vintage

TASTING NOTES

Showing Smith Ranch's characteristic focused tannic structure and dark to black fruit notes on entry and enlivening acidity on the finish, this offering will age beautifully for the next 10-15 years. The wine was aged in approximately 50% new French oak for 24 months; fewer than 150 cases were produced for our Single Vineyard Series

WINE STATISTICS

Wood: 50% New Oak, 24 Months

TA: .40 g/L

pH: 3.62

Alcohol: 14.8%

Cases Produced: 106

\$65.00
